Dear EOCRO's benefactors.

Le Quang Ngoc's, heart patient, operation fee was 20,000,000 vnd. The Health Care Insurance and his family paid 5,000,000 vnd. **We received 15,000,000 vnd from EOCRO to support to Le Quang Ngoc.**

Le Quang Ngoc was born in 1984, currently lives in 49/209 Chi Lang, Hue city. Ngoc has a wife and a 3 years old son. However, two years ago, Ngoc's wife left her home due to insolvency, leaving Ngoc and the young child with the debt (600 million VND). For nearly a year after his wife left, Ngoc and his young son had to live in fear because the creditors often went to their house to get money and smashed furniture. After that, his mother-in-law had to stand up to receive the debt and ask for payment gradually.

Ngoc is a taxi driver. He earns about 3 million VND in average of each month earns. Both father and son rely on that little money to live through the day. Sometimes, he could not afford for their essential needs, he had to borrow his brothers and colleagues. However, Ngoc was't always helped because his relatives know that he could hardly pay the debt. Ngoc and his son are living in a small, degraded house of an aunt because she goes to work away from home. The valuables in the house were taken away by the creditors, so there were only minimal supplies for them. Ngoc's parents are not much better. Even though they are old, they still have to work as a motor taxi driver and street vendors to earn money for themselves and not rely on their children.

Ngoc found himself suffering from heart disease not long ago. He was transferred to Hue Central Hospital for treatment, but doctors indicated he needed surgery cost of 20 million VND. With the current situation, he did not have any savings money for surgery. He also could not borrow money because no one helped him. More than ever, Ngoc needs the support to be able to overcome illness, continue to live healthy to work and raise his young child.

On behalf of Le Quang Ngoc and his family, permit us to say thank you so much to donors of Eyes of Compassion Organization for Le Quang Ngoc so that he can come back to a normal life.
