Biography:

My name is Lhakpa Tsering. I was born on 17 May, 2012 in Tawang village of Arunachal Pradesh state, India. My village is on the border with Tibet. My parents are agricultural workers. I have two brothers and three sisters. My father is very pious Buddhist. Every day he makes prayers to the Buddha and he used to take me to our village temple. I also love helping my father in collecting stones to count his daily prayers.

In 2018 my father sent me to Gaden Jangtse Thoesam Norling Monastery to study Buddhism and other school subjects. My village Tawang has no school. Here in our school I read in Kindergarten. I study English, Tibetan, Calligraphy, and Buddhist Stories. My parents are now very happy that I know many Buddhist stories. I have made many friends in school. I play many games in school.

Our school has a big ground and two mango trees.
