Biography:

My name is Lobsang Yignyen. I was born on 14 July, 2013 in Changlang village of Arunachal Pradesh state, India. My village is very small and it is green all around. I have only father, a brother and three sisters in my family. My mother died when I was three years old. My sisters and brother help father in growing vegetables and collecting firewood. Every day they go to field and to collect wood. Only I am the one who is sent to school. My father is a pious Buddhist. He teaches us Buddhist morals. My father wanted to send me school but there is no school in my village.

In 2019 my father sent me to Gaden Jangtse Thoesam Norling Monastery. Here in monastery, I was admitted to school. In our school, I read in Kindergarten. I study English, Tibetan, Calligraphy, and Buddhist Stories. My father is now very happy that I know many Buddhist stories.

My school is very big. I play many games in school. Our school has a big ground and two big mango trees.
